#### TRIBUTE TO OLIVER W. WADDELL

#### HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 26, 2002*

Mr. PORTMAN. Mr. Speaker, I rise today to pay tribute to Oliver W. Waddell, a distinguished constituent, dear friend and an accomplished business leader who will receive the National Multiple Sclerosis Society's Silver Hope Award at the 2002 Dinner of Champions on October 3, 2002. The Silver Hope Award is the highest honor given by the National Multiple Sclerosis Society, and Ollie is being honored for his dedication to ending the devastating effects of Multiple Sclerosis (MS).

Ollie is from Falmouth, Kentucky, and is perhaps best known from his long and very successful career with Star Bank (formerly the First National Bank of Cincinnati), which he joined in 1957 as a management trainee. In 1980, he was appointed president and director, and, in 1982, chief executive officer of Star Bank, N.A. Shortly thereafter, Ollie was made a director of Star Banc Corporation, the parent company of Star Bank, N.A. By August, 1990, Ollie was chairman, president and chief executive officer of Star Banc Corporation. Under his direction, Star Banc Corporation

doubled in size, becoming a multi-state bank holding company with offices located in Ohio, Kentucky and Indiana.

Ollie was chairman, president and chief executive officer of Star Banc Corporation until May, 1993, when he stepped down as president and chief executive officer. Ollie cares deeply about his wife, Virgilee, and wanted to spend more time with her. Years before this decision, Virgilee was diagnosed with MS. Although the Waddells' battle against MS has been a very personal and private one, they recently made the decision to help others in that fight by creating the Waddell Center for Multiple Sclerosis through the University of Cincinnati. The Center will have an important role in helping to end the devastating effects of MS.

Over the years, Ollie has been very active in our community. He has served on the board of directors for several organizations which include: Star Banc Corporation; Star Bank, N.A.; Cincinnati Gas and Electric Company; Myers Y. Cooper Company; Cincinnati/Northern Kentucky International Airport; and Ohio National Life Insurance Company. He also has been active in the community as a member of the Commercial Club, Commonwealth Club, Optimists Club, Queen City Club and Rotary Club.

Ollie is very dedicated to his family. Ollie and Virgilee have been married for 47 years. They have 3 children and 6 grandchildren.

Mr. Speaker, all of us in Southwestern Ohio thank Ollie for his commitment to fighting MS, and we congratulate him on receiving the prestigious Silver Hope Award. I hope my colleagues will join me in wishing Ollie and Virgilee the very best as they continue to fight their own battle against this difficult disease.

#### HONORING JANETT MARTIN

#### HON. JIM DAVIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 26, 2002*

Mr. DAVIS of Florida. Mr. Speaker, I rise in honor of Janett Martin, a very strong leader in the City of Tampa who devoted her life to her church and community.

Janett was a pioneer in the advancement of diversity and fairness in the workplace and will be greatly missed by family, friends, and admirers. She led the way by becoming Tampa's first African-American city clerk, as well as president of the American Society of Public Administrators. Many in the Tampa Bay area were drawn to her intelligence, hard work, and perseverance.

Janett took on as many responsibilities as possible, showing all heart and boundless determination. Even after she became ill, she still served a term as president of Tampa's League of Women Voters. Janett continued to make a difference in the African-American community by recently heading the Lincoln-Douglas Ball.

Without a doubt, Janett Martin left a unique mark throughout the entire Tampa Bay community. I would like to express my upmost admiration for the person Janett was and my condolences to the Martin family. She will be well-remembered for her integrity, strength, and commitment to her ideals.

#### ALOPECIA AREATA AWARENESS MONTH

#### HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 26, 2002*

Ms. WOOLSEY. Mr. Speaker, I rise today to recognize that September is Alopecia Areata Awareness Month, and to commend the efforts of the National Alopecia Areata Foundation in San Rafael, CA, which is part of the district that I am privileged to represent. For over twenty years this organization has dedicated itself to researching this horrible disease and providing support for those with this condition.

Very few people may know about this disease, or have even heard of it, but alopecia areata is a serious condition that can affect the entire population, although it most commonly affects children. Alopecia areata is the partial to complete loss of hair over the entire body. Without eyelashes, eyebrows, and hair on the scalp, those affected are left unprotected from the weather and other environmental conditions. While not medically disabling or life threatening, this disease causes much emotional pain. Suffers of this disease may have difficulty adjusting to the changes to their body and the differences between themselves and others around them. Children may encounter frustrating situations at school with other children who do not understand this disease.

Alopecia areata is an autoimmune disease, with no known cause and no known cure. Greater awareness and an increased investment in alopecia areata research are critical components in our quest for a cure. That is why the National Alopecia Areata Foundation plays an important role in the lives of those who suffer from this disease. This foundation provides funding for research, as well as support services and resources for the sufferers. I am so proud to represent this foundation in my district and offer them my continued support.

Mr. Speaker, especially during the month of September, as well as throughout the year, we must continue to raise awareness for alopecia areata and work to find a cure for this devastating disease.

#### ABORTION NON-DISCRIMINATION ACT OF 2002

SPEECH OF

#### HON. JANE HARMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 25, 2002*

Ms. HARMAN. Mr. Speaker, let me begin by clarifying a point of debate.

Nothing in existing law requires hospitals, clinics, or any health care provider to perform an abortion against their religious or moral beliefs.

This is true at the Federal level, and this is true in California, where additional legislation protects individual doctors and nurses from retaliation if they do not wish to participate in an abortion.

The pending legislation claims to solve a problem that does not exist, and it does so by
